APPENDIX C
VITA

I.   Name: Yu Zhang
       Rank: Professor
       Tenure/Nontenure: Tenured
       Department or Division: SSB
       Year Joined the Institution: 2022
       Teaching Experience:
          Areas of Involvement (in teaching)

          Courses taught since 2002:

- Data Science
- Spreadsheet Applications
- Management Information System
- Fundamentals of Computer Applications
- Introduction to Computer Science
- Intro. To Computing
- Computer Science I
- Visual Basic I
- Visual Basic II
- Computer Fundamentals
- Database Applications I
- Networking Fundamentals
- Web Site Design Tool & HTML
- Visual Basic.NET I
- Visual Basic.NET II
- Intro. To Programming I
- Intro. To Programming II
- Microcomputer Concepts

II.   Education Background (include fields of specialization)

- Ph.D. – Mechanical Engineering: CAD, Modeling and Simulation in Machine Design and Theory.
- M.S. – Mechanical Engineering
- M.S. – Computer Science
- B.S. – Mechanical Engineering

III.   Prior Experience not in Education

- Mechanical Engineer

IV.   Professional Memberships (include offices held)
- 2007-2013 ACM/SIGCSE member

V.   Professional Meetings Attended (include dates)

- 32nd University Annual Computing Conference, 10/22-24/2003
- 2005 University System Annual Computing Conference, 10/26-28/2005
- 35th University System Annual Computing Conference, Rock Eagle, Georgia, 10/26-10/27/2006
- SIGCSE 2010: The 41st ACM Technical Symposium on Computer Science Education, March, 2010, Milwaukee, WI
- Course Technology Conference, West Palm Beach, FL, 2/22/2013
- The USG Teaching & Learning Conference, Athens, GA, 4/3-4/5/2013
- USG Teaching & Learning Conference, Savannah, GA, 9/27-30/2018
- Georgia Logistics Summit, Macon, Georgia, 3/16/2022
- The USG Teaching & Learning Conference, Athens, GA, 3/27-29/2023

VI. Papers Presented (include dates)
- Web Event Calendar, 2005 University System Annual Computing Conference, Oct. 2005
- Information Sharing System, 35th University System Annual Computing Conference, Rock Eagle, Georgia, Oct. 2006
- New Trends in Automated Project Grading for Web Programming Classes. SIGCSE 2010: The 41st ACM Technical Symposium on Computer Science Education, Milwaukee, WI, . March 2010

VII. Publications
- Short GeorgiaVIEW tutorials created for CTL, 2019
- Improve Your Online Customer Service with E-Commerce - Web Design Expertise. April 14, 2004. 2nd Business and Industry Development Conference, Bainbridge, GA

VIII. Other Research Activity
IX. Consulting
- Tift County YMCA website Development, Fall 2019.
- Creating prototype
- Humane Society IT needs
- Local business with their Computing needs
X. Professional Growth Activities
- ITI (Instructors Training Institute) Phase I Training, 8/8-8/11/2005
- WebCT Workshop, Bainbridge College
- Consortium of DTAE CIS instructor in Griffin, GA, 2/1/2008
- Workshop: Advisement training, Bainbridge College, 11/17/2008
- Workshop: Study Abroad, Macon, GA, 4/4/2008
- Curriculum Mapping for Effective SLO Assessment & Teaching Enhancement Workshop I, 4/10/2009
- GeorgiaView Workshop, 4/17/2009
- Curriculum Mapping for Effective SLO Assessment & Teaching Enhancement Workshop II, 5/8/2009
- The launch of our QEP and the new GeorgiaVIEW, 4/6/2012
- GeorgiaVIEW Training, 4/9/2012
- What Do Students Really Think about Active Learning?, 5/8/2012
- Virtual Developer Day: Hands-on Database App Development. Oracle. 5/15/2012

- Java Message Service with Java and Spring Framework on Oracle WebLogic. Oracle. 5/15/2012
- Best Practices for getting found in the Age of The New Google Search. Percusion software. 5/23/2012
- MySQL Innovation Day Live Webcast, 6/5/2012
- 2nd workshop for the new GeorgiaVIEW, 8/1/2012
- Extreme Arousal 2.0: Creating "I Don't Want to Miss a Moment of This!" Learning Environments, 8/16/2012
- Workshop: The Inverted Classroom Join the revolution "How I flipped my classroom and engaged my students", 8/16/2012
- Understanding, Teaching, and Serving Today's Students, 9/7/2012
- Developing on-going informational and professional development sessions for faculty who serve as advisors, 10/12/2012
- Degreeworks training, 2/26/2013
- Demo of revolutionary 3D classroom technology, 2/27/2013
- Training - Security & Safety, 3/19/2013
- Designing & Teaching Online Classes. Workshop 1 and 2, 5/9/2013
- Diversity & Cultural Competency Training, 5/21/2013
- SPSU-university of Pittsburgh joint conference on incorporating international perspectives on energy into the curriculum, Atlanta, GA, 9/13/2013
- Workshop: Improving your assessment of students, 3/12/2014
- Emerging Technologies for Online Learning web seminar, 4/10/2014
- Webinar: The Flipped Classroom, 5/8/2014
- SIMnet for MS Office 2013 training, 6/25/2014
- DegreeWorks Training, 8/14/2014
- Collaborate and Turnitin One-on-One Training, 8/15/2014
- Right-To-Know Basic Awareness with the Global Harmonized System Training, 11/10/2014
- Webinar: My Students Won't Stop Behaving Badly. Now What?, 11/12/2014
- Computer Workstation Ergonomic Training, 11/17/2014
- Engaging higher education students using differentiated instruction, 1/22/2015
- Integrating emerging technologies and information literacy in online teaching, 2/16/2015
- Reaching online learners: being smart isn't enough, 2/17/2015
- Re-thinking the tired model of higher education: new modes of content delivery, 2/18/2015
- Digital enhancement for student success, 2/19/2015
- Designing authentic assignments to engage students, 2/20/2015
- Advisor training enlighten session, 4/27-30/2015
- DegreeWorks and faculty advising for second-year students, 8/12/2015
- Implementing work ethics project in your classroom, 8/12/2015
- Crisis intervention, 8/13/2015
- Stress management, 8/13/2015
- New sexual misconduct training, 9/16/2015
- Information security training, 11/2016
- Cybersecurity Awareness Training, 10/2016

- Best Practices for Teaching with GAView, 1/24/2019.
- Lunch & Learn Series, Spring, 2019.
- Moving from Collaborate to Skype training, 3/12/2019.
- Small Group Discussion on Classroom Diversity, 3/26/2019
- Cengage MindTap/SAM training, 4/17/2019
- Cengage SAM training, 11/14/2019
- USG Ethics Training, 11/15/2019.
- 2019 Cyber Security Awareness training, 2019
- Advising Training, 10/29/2019
- Multiple Mandatory trainings, 2020-2023

XI. Seminars, Training Programs, etc., Conducted for Business and Industry
- Series of workshops on using GeorgiaVIEW in Spring 2019
- International Education Week: Web site design and creation November 16-21, 2008

XII. Professional Presentations, Speeches, etc.
- Workshop on the gradebook and grading in general. 11/15-16/2012
- Managing Appointments online with MS Booking. 11/9/2023
- Building an online class in GeorgiaVIEW from the scratch, 2020
- Basic GeorgiaVIEW training, 2020

XIII. Institutional Services Performed
- Senator, ABAC Faculty Senate
- Member, ABAC Promotion and Tenure Committee
- Member, Curriculum Committee
- Member, International Education Committee
- Member, Donaldson TEACHING Award Selection Committee
- Member, Donaldson STUDENT ENGAGEMENT Award Selection Committee
- Member, Donaldson ADVISING Award Selection Committee
- Member/Chair, SSB hiring committee.
- USG Asian Council BC representative.
- Member: MAP (Minority Advising Program)
- QEP Committee 2007-2017
- Meritorious Student Awards Selection Committee
- Faculty Enrichment Award selection committee
- HSPS Head Search Committee
- AP of Management Search Committee
- Faculty Council - Budget & planning committee
- Diversity Committee
- QEP Committee
- IE Committee
- USG IE Asian Council Representative
- QEP online course design reviewer
- ABAC Tech Fellow
- SSB Business Series Workshop
- ABAC Annual STEPS Symposium Judges

XIV.   Recognition and Honors
- Nominee for Excellence in Teaching of Donaldson Award
- 20-year of service at ABAC

XV.   Professionally-Related Community Activities
- Member, Bainbridge-Decatur County Humane Society
- American Cancer Society: Relay for Life
- BC Computer Club
- BC International Education Club
- Cultural awareness night (CAN) at Bainbridge High School. Talk about China. Sponsored
- International Education Week
- BC Foundation Annual Meeting
- Collaborating with FSU about QEP and online learning
- Collaboration between FSU and BSC of promoting Computer Science and Information Technology
- BSC foundation member
- Patron of the Carter Series Performing Arts Series
- QUEST organizer
- Participant of "Bringing College to Your Classroom"
- Introducing BSC to the public and recruiting students
- ABAC Stallions Day
